GENERAL INDEX

A

A word of thanks, 92
Aberdare Holdings electrical group join Raytheon, 39
Abstracts from recent British patents, 13, 55, 90, 113, 174, 195, 234, 315
Afghan gas for U.S.S.R., 303
Algerian natural gas field discovery, 299
American-Australian enterprise, Esso-B.H.P. is new natural gas for industry supplier, 41
American Gas Appliance Manufacturers' Association, 38
Anglo-American pipeline venture, 118
Australia—conversion plans, 15

B

Baby of the Year 1968, 255
Belfast Gas Corporation's fall in profits, 178
Britain's new computer giant, 368
Brunei gas tankers order, 94
Budget and oil duty, 370
Buncefield-Heathrow pipelines, 38

C

Canadian gas is poised for more rapid development, 234
CEI lecture, 253
Coal productivity—rapid rise, 371
Coal written off, 179
Commonwealth gas, 41
Conch Ocean Ltd.—
  Frozen ground licence for French company, 371
  Grant licence to Dutch company, 306

D

Dearer gas in Belfast, 92
Devaluation and fuel policy, 118
Douglas Gas Company receives orders after Isle of Man exhibition, 251
Dutch—
  Plant shipped to St. Peter Port, Guernsey, 39
  To build remote control compressor station for natural gas, 302
  Will grant land concessions, 373

E

Electricity—
  'Electricity from coal' plea, 95
  Electricity prices increase, 322
Elga Products Ltd., 316
Elliott-Automation receives orders from Brescia, 252

F

Fire prevention courses to have greater scope, 96
Fourth gas output record in five weeks, 96
Fuel and power output higher than in December, 1966, 41

G

Gas domestic appliances sales up, 252
Gas heating sold well in October, 14
Gas market estimate, 199
Gas on the Continent, 11, 136, 175
Gas output hat-trick, 38
Gas storage, 275
Gas tariff increases—PIB recommends approval, 322
Gascol Conversion Centre inaugural visit, 273
Government accepts Prices Board recommendations on gas and coke prices, 370

H

Heating Centre policy change, 15
Home Oil to renew drilling on Yorkshire moors, 93
Hong Kong holder, 252
Hungarian natural gas output up 32%, 252

I

Ideal Home Exhibition, 366
Ideal-Standard gas boilers shipped to Holland, 303
IMEG inspection contracts, 303
Imperial Metal Industries Ltd. takeover of Yorkshire Copper Works (Holdings) Ltd., 274
Information service for natural gas in Europe, 39
Institute of Measurement and Control, 39
Institute of Petroleum addressed by Richard Marsh, 251
Institution of Plant Engineers to consider divisional status offer, 275
Instrument Maintenance and Erection Co. Ltd., 252
International Harvester Company (Solar Division) installs gas turbine generator, 38
Iran—
  Pipes plant starts operations, 302
  Village to have energy pack, 255
Irish Sea hopes for natural gas, 300
Isle of Man to have butane/air plants, 302

L

Lacq gas output, 301
Lurgi plants—'no economic justification', 91

M

Managing Energy Conference report, 275
Merger discussion statement, 179
Mini-subs for offshore exploration, 299
Minister congratulates electricity and gas, 303

N

Nationalised industries' revenue, 305
Nationalised Industries Select Committee, 254
Natural gas and the metallurgist, 119
Natural gas conversion programme, 179
Natural gas in Spain, 321
NCB terminal at Immingham given go-ahead, 118
New Zealand—
  Contract, 118
  Conversion contract, 370
Non-chartered engineers, 306
Norfolk natural gas search, 250
North Sea—
  Arpet gas strike may mean Leman Bank extension, 15
  Bacton terminal capacity, 253
  Bacton terminal capacity huge, 14
  BP commissions natural gas powered generator, 93
  Commons inquiry, 250
  Dutch prospecting licences, 298
  L.G.A. joins bonanza, 141
  Minister hopes other contracts will follow Phillips deal, 297
  More supply ships, 142
  News round up, 56
  'Ocean Prince' lost in gales, 298
  Phillips oil strike, 297
  Phillips to supply gas at 2.87d. a therm, 297
  Relief measures in hand for 'bubbling sea', 199
  'Sea Quest' moves landward, 142
  Sea well plugging question in Commons, 300
  'Stafio' men lifted by helicopter, 371
  'Stafio' towed to drilling station, 141
  Wales Dove Bitumastic (Pipe Division) secure gas contract, 274
  Yarmouth extensions for Amoco, 56

O

Ocean transportation of natural gas in the 1970's, 159
Oil products costs, 91

P

Parkinson Cowan Compteurs Ltd., 109
Parkinson Cowan Delta measures natural gas intake, 118
Plant engineers—
  Conference, 252
  Symposium, 306
Potterton bouquet, 92
Powell Duffryn Group's major reorganisation, 299
Progress report on sea drilling, 305
Proposed pipeline moves, 252
Pros and cons of electric floor warming, 231

Q

Queensland gas and oil finds, 141

R

Respiratory protective equipment, 251
Rise offer for gasworkers, 299
RoSPA defensive driving courses for commercial drivers, 162

S

Safari Oil Ltd. to begin Yorkshire oil and gas search, 301
'Sea Quest' breaks moorings, 56
Shell's plans for Brunei gas, 142
Sinclair oil and gas price, 305
Strabane (Co. Tyrone) Urban Council—
  Pilot scheme, 300
  To call special meeting on finances, 92
Symposium on natural gas, 178

T

Tokyo Gas doubles 1968 Australian coal, 303
Trading figures good, 118
Turriff 'firsts' for industrial gas conversions, 119

U

UGI approached by Rockwell Manufacturing Company, 251

V

Vickers-Zimmer gas plant in Australia, 178

W

Wellman Industrial Systems, new factory opened by Minister, 273
West's Piling and Construction Co. Ltd. opens training centre, 253
Wheeloc—
  Acquires Morgan and Brace, 95
  Announces agreement with Davy-Ashmore, 365
Whickham UDC to heat housing scheme by gas, 303
Whitehill Point, 118
Whitehill Point correction, 300
Woodall-Duckham—
  Computer to streamline expansion programme, 140
  Sign export contract with Polimex, 39

Z

Zala natural gas finds, 141

CLASSIFIED INDEX

AREA BOARDS

EASTERN

Chelmsford ICI 500 plant supplies, 275
Dunstable MS reforming plant, 249
Freak conditions caused Norfolk gas crisis, 93
New plant's pipelines cleaned chemically by General Descaling Co. Ltd., 93

EAST MIDLANDS

Conversion completed, 15
Fifth conversion scheme, 142
Gas conditioning plant ordered, 252
Industrial gas conversion starts, 300
Natural gas conversion contract, 15
'Natural gas for industry' exhibition, 198

NORTH EASTERN

Chairman addresses WGF, 91
Thirsk gasworks may soon close, 119
West Riding County Council visit, 324

NORTH THAMES

Fitters gain top places in examinations, 255

NORTH WESTERN

First homes to get North Sea gas, 370
Gas sales increases predicted, 301
Spring start to conversion, 119

SOUTHERN

Apprentices awards, 180
Gas sales continue to increase: Apprentices gain 20 distinctions, 94
Low sickness time loss, 178
New stores at Botley and Bicester, 40
Waste heat recovery system, 142
Young Homemakers branch formed, 255

SOUTH EASTERN

Appliance sales boom, 371
Croydon plant gas mains are being laid, 327
Croydon will be UK's largest single reforming plant, 253
Mechquip cranes used to erect vessel, 38
Tariffs revised after 4½-year standstill, 373

SOUTH WESTERN

Devon bridge collapse threatens gas supply, 117
Gas Appliance Conversion Services Ltd. awarded contract for 67,000 conversions, 275
Power-Gas receives letter of thanks from Chairman, 301

WALES

North Sea gas to be available in 1969, 368

WEST MIDLANDS

Additional appointments, 274
Central maintenance service developed, 105
Coleshill Lurgi plant doubts, 57
Firms may soon buy gas on contract, 299
Hinckley conversion delays, 57
Nechells and Walsall carbonising plants to close, 250
New gas and electricity service for council house tenants, 250
Washwood Heath start-up, 371

SCOTTISH GAS

Hurricane disrupted supplies of gas in Scotland, 93
Reorganisation of stock control, 370
Thurso and Wick to have new gas supply, 199
